five romances of cordel is a return to a long time research topic but now to the very beginnings of brazil s literatura popular em verso or literatura de cordel the early romances or historias of cordel began as narrative poetry telling a story based on popular literature from portugal spain and france the stories from europe were in prose and were sold by the livreiro garnier in rio de janeiro at the end of the 19th century poets like leandro gomes de barros joao melchiades ferreira da silva jose camelo de melo resende marcos sampaio and others converted the prose stories to verse this author has chosen five of the most famous and placed the portuguese originals alongside his own english translations along with notes commentary and asides a labor of love enjoy

brazil s folk popular poetry a literatura de cordel is perhaps the most important and vibrant variant of poetry of the masses in western culture but not many people in the english speaking world know much about it written by one of the most educated scholars on the subject brazil s folk popular poetry a literatura de cordel goes back to the craft s origins in portugal in the 17th and 18th centuries and tells the story of how it developed and found a place in the hearts and minds of the people of brazil get ready to discover how spain and france influenced the poetry beautiful narrative poetry from forgotten poets who deserve to be rediscovered how the cordel spread from northeastern brazil to the amazon region to rio de janeiro and sao paulo in the south and later to brasilia why these poems are still relevant today and much more become a fan of a poetry that documents religious beliefs views on national politics and thoughts on morality

in every region of latin america there are sacred shrines that draw tens of thousands of pilgrims at present most of these pilgrimages are overtly catholic but the roots of the contemporary practice are numerous european christian indigenous pre columbian african slave and other religious traditions have all contributed to latin american pilgrimage this book explores the historical development range of diversity and the structure and impacts of this widespread religious practice this volume among the first to focus on pilgrimage in latin america in general creates a general framework for understanding latin american pilgrimage although the contributors focus is predominantly anthropological analytical perspectives are drawn from numerous disciplines including archaeology geography and religious

and literary history this diversity reflects the fact that pilgrimage is a multifaceted institution that incorporates geographical social cultural religious historical literary architectural artistic and other dimensions it is this complexity that is responsible for the previous general neglect of the study of pilgrimage by scholars the interdisciplinary collaboration that characterizes this volume is one of the most sensible ways to investigate pilgrimages all of the essays in this book treat pilgrims the pilgrimage center the ritual performances and the audience as major components and examine the interrelationships among these dimensions this volume will interest anthropologists sociologists of religion and others interested in aspects of religious practices

this landmark collection makes a major contribution to the burgeoning field of broadside ballad study by investigating the hitherto unexplored treasure trove of over 100 000 central eastern european broadside ballads of the czech republic from the 16th to the 19th century viewing czech broadside ballads from an interdisciplinary perspective we see them as unique and regional cultural phenomena from their production and collecting processes to their musicology linguistics preservation and more at the same time as contributors note when viewed within a larger perspective extending one's gaze to take in ballad production in bordering lands such as germany poland and slovakia and as far northwest as britain to as far southwest as brazil we discover an international phenomenon at work czech printed ballads we see participated in a thriving popular culture of broadside ballads that spoke through text art and song to varied interests of the masses especially the poor worldwide

the cambridge history of latin american literature is by far the most comprehensive work of its kind ever written its three volumes cover the whole sweep of latin american literature including brazilian from pre colombian times to the present and contain chapters on latin american writing in the usa volume 3 is devoted partly to the history of brazilian literature from the earliest writing through the colonial period and the portuguese language traditions of the nineteenth and twentieth centuries and partly also to an extensive bibliographical section in which annotated reading lists relating to the chapters in all three volumes of the cambridge history of latin american literature are presented these bibliographies are a unique feature of the history further enhancing its immense value as a reference work

the collection is meant as an introduction to and summary of curran's primary and secondary holdings on brazil's literatura de cordel now at the latin american library of tulane university the book relates the story of how the cordel collection was put together including telling of its primary sources the poets themselves and cordel

stands or barracas in cities or towns that sold the broadsides from the mid 1960s to 2013 photos and short biographic entries of the poets printers and publishers are a big part of the story the lengthy second part of the book is comprised of the lists of the broadsides themselves according to title by the author's choice author following when known xeroxed copies of historic titles and curran's library of secondary sources dealing with the collection the author believes that this book has most everything a prospective researcher or aficionado needs to know about the mark j curran collection of a literatura de cordel

peripecias de um pesquisador gringo no brasil nos anos 1960 ou a cata do cordel e um relato divertido e informativo da primeira estada de pesquisa do curran no brasil neste livro o autor conta duas estórias a pesquisa sobre o cordel e talvez mais importante as viagens e a peripecias daquele primeiro ano no brasil os dois relatos são inseparáveis e se complementam os capítulos incluem recife e o nordeste viagens ao interior do nordeste pesquisa na capital colonial do brasil salvador da bahia pesquisa e turismo no rio de janeiro viagens ao interior desde o rio de janeiro incluindo ouro preto congonhas do campo e uma viagem memorável em um gaiola ou seja vapor de roda no rio são francisco em minas gerais e bahia e finalmente pesquisa na bacia amazônica incluindo belém do para e manaus o relato não está em linguagem acadêmica mas em um estilo coloquial de conversa curran escreve como se estivesse fazendo um bate papo com o leitor relatando histórias de suas viagens e talvez com o autor e leitor gozando uma caipirinha ou um bom choppe enquanto o autor conta suas histórias

relembrando a velha literatura de cordel e a voz dos poetas really contains three important studies on the cordel 1 the revision and translation of curran's phd dissertation from 1968 2 the augmentation of one of the chapters of the dissertation treating brazil's best known and pioneering poet leandro gomes de barros 3 the publication of a now historic series of interviews with forty cordel poets and publishers in the late 1970s curran dedicates much time and energy to this endeavor because he believes the researches were little known in their original form and more importantly with the passage of time and the evolution of the cordel and brazil in general they now remain as historic documents in brazil's national cultural history

this title is part of uc press's voices revived program which commemorates university of california press's mission to seek out and cultivate the brightest minds and give them voice reach and impact drawing on a backlist dating to 1893 voices revived makes high quality peer reviewed scholarship accessible once again using print on demand technology this title was originally published in 1982

aconteceu no brasil crônicas de um pesquisador norte americano no brasil ii é a

continuação de um livro editado uns anos atrás peripécias de um pesquisador gringo no brasil no anos 1960 continua o namoro e a odisseia do autor no brasil de 1969 a 1985 um terceiro volume trará tudo ao presente isso daqui a uns anos o volume presente tratará varias estadas no brasil o autor já assistant professor of spanish and portuguese na arizona state university os temas serão a pesquisa da literatura de cordel congressos e momentos importantes com autores brasileiros esforços para publicar obras no brasil viagens a partes novas do país e belos momentos de turismo com a esposa keah entre os momentos acadêmicos altos serão 1973 e o primeiro congresso de filologia portuguesa no rio quando o autor é apresentado ao mundo acadêmico luso brasileiro e especialmente em 1981 quando faz parte da comemoração de 50 anos de literatura de jorge amado em salvador da bahia entre outros momentos de pesquisa através os anos o momento mais memorável e feliz foi em 1985 quando o autor e sua esposa keah foram ao brasil a ocasião foi um prêmio para o autor combinado com uma bela viagem turística a partes diversas do pais no espírito e estilo de crônicas breves o livro não deixará de comentar o cenário político econômico e social do país através os anos notando muitas mudanças vistas pelo autor

this work is a guide to writers works and topics in central and south america and the caribbean it contains over 400 entries written by 160 contributors which are organized into four major types topic individual writer individual work and survey

it happened in brazil chronicle of a north american researcher in brazil ii is the english version of aconteceu no brasil crônica de um pesquisador norte americano ii the book is a continuation of the first volume in the series published in 2012 in both portuguese and english adventures of a gringo researcher in brazil in the 1960s it continues currans love affair with brazil and the brazilians and work in brazil from 1969 to 1985 a third volume to be published in coming years will bring everything to the present this volume deals with various researches and travel trips to brazil the author now professor at arizona state university themes will be continued research on the literatura de cordel conferences important moments with authors of cordel and brazilian literature the odyssey of publishing in brazil journeys to new parts of brazil and fine moments of tourism with wife keah among academic moments and high points will be 1973 and the first international congress on portuguese and brazilian philology in rio de janeiro where the author is introduced to the luso brazilian academic world and especially in 1981 when curran took part in the 50 years of literature of jorge amado commemoration in salvador da bahia among other memorable moments over the years was the trip with wife keah to brazil in 1985 the occasion was to receive a literary prize combined with new tourism to various parts of the country written in the spirit and style of the genre of short

chronicles in brazil the book will comment as well on the political economic and social scene over the years and will note the many changes in the dynamic brazil of the late twentieth century

a portrait of brazil in the twentieth century the universe of the literatura de cordel is currans most recent project the book in effect is the english version of a major work published in brazil in portuguese in 2011 retrato do brasil em cordel curran returns to portrait for several reasons primary is his strong feeling that the amazingly broad view of brazil in the twentieth century seen in the thousands of booklets in verse from the cordel represents a major aspect of brazilian culture in that century second because there are many important bodies of folk popular verse in the western tradition all distant relatives of the greek and roman epic traditions and because brazils folk popular poetry is one among them and because a very large reading public interested in such things does not know portuguese this volume in english strives to make the tradition available to such readers finally the book in two volumes represents the cumulative efforts of research and writing of professor curran in a career of forty three years of scholarly research and teaching it reveals a unique portrait of brazil and its people informative instructive and mainly entertaining

demonstrating the aesthetic cultural political and intellectual diversity of children s literature across the globe the routledge companion to international children s literature is the first volume of its kind to focus on the undervisited regions of the world with particular focus on asia africa and latin america the collection raises awareness of children s literature and related media as they exist in large regions of the world to which mainstream european and north american scholarship pays very little attention sections cover concepts and theories historical contexts and national identity cultural forms and children s texts traditional story and adaptation picture books across the majority world trends in children s and young adult literatures exposition of the literary cultural and historical contexts in which children s literature is produced together with an exploration of intersections between these literatures and more extensively researched areas will enhance access and understanding for a large range of international readers the essays offer an ideal introduction for those newly approaching literature for children in specific areas looking for new insights and interdisciplinary perspectives or interested in directions for future scholarship

when droughts hit northeastern brazil thousands of rural workers are forced to abandon their homes for the cities in search of work the double impact of drought and corruption with politicians taking advantage of drought to buy votes and pilfer

government accounts contributes to an endless cycle of human suffering in order to understand the impact of drought and the phenomenon of drought politics nicholas gabriel arons goes beyond traditional social science scholarship to sources such as novels poetry popular art and oral history for many people in the region these artistic renditions of life are ironically a better reflection of reality than political rhetoric government archives and newspaper accounts even though they are infused with myth or hyperbole drawing on interviews with artists and poets and on his own experiences in the brazilian northeast arons has written a poignant account of how drought has impacted the region s culture he intertwines ecological social and political issues with the words of some of brazil s most prominent authors and folk poets to show how themes surrounding drought hunger migration endurance nostalgia for the land have become deeply embedded in nordeste identity through this tapestry of sources arons shows that what is often thought of as a natural phenomenon is actually the result of centuries of social inequality political corruption and unsustainable land use waiting for rain dramatically depicts a region still suffering from austere social and political realities where drought even during rainy seasons is ubiquitous in the hearts and minds of its residents a book of hope and resistance myth and reality and suffering and salvation it is also a personal narrative of self discovery tracing a young man s struggle to understand how human tragedy on a grand scale can exist alongside natural beauty

adventures of a gringo researcher in brazil in the 1960s or in search of cordel is an entertaining and informative account of professor curran s first foray in brazil in this book he tells two stories the research to collect cordel and perhaps more importantly the travel and the adventures of the year in brazil the two are inseparable and complement each other chapters include recife and the northeast travels to the interior of the northeast research in brazil s colonial capital of salvador da bahia research and tourism in rio de janeiro trips to the interior of rio including ouro preto congonghas do campo and a memorable trip on a wood burning stern wheeler on the sao francisco river in minas gerais and bahia and finally research in the amazon basin including both belem do para and manaus the account is not in academic language but in a colloquial conversational style curran writes as one sitting down with the reader and telling tales of his travels and perhaps with the author and reader enjoying a caipirinha or a brazilian draft beer choppe as they talk

this richly documented work focuses on the parentela extended family including epitacio s to illustrate the role bonds of blood marriage and friendship played in formal politics at local state and national levels throughout the old republic 1889 1930 originally published in 1987 the princeton legacy library uses the latest print on demand technology to again make available previously out of print books from the

distinguished backlist of Princeton University Press these editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions the goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905
